

# Chromebook - Connect to Wi-Fi

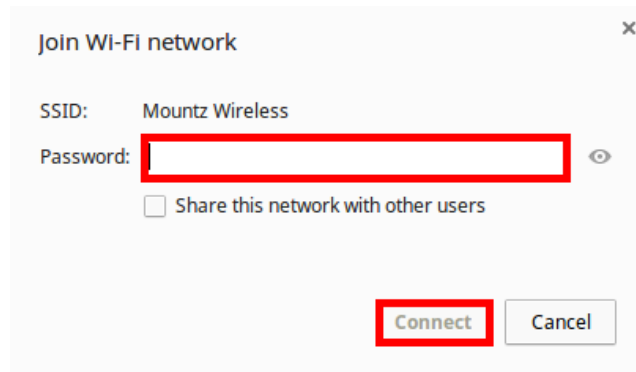

1. Click the network icon  in the lower-right corner of your screen.
2. Click **No network** to see a list of available wireless networks

3. Select your wireless network from the list. In our example, **Mountz Wireless** is selected.

4. Enter the password for the selected wireless network and click **Connect**.

Join WI-FI network

SSID: Mountz Wireless

Password:

Share this network with other users

**Connect** Cancel

5. When you see the  icon in the lower-right corner of your screen, that means your Chromebook is connected to the network. You can now sign in to your Chromebook.
